Looking for the ideal way to express yourself? Ever dreamed of becoming a famous producer? Then podcasting is the answer and the U-PHORIA STUDIO PRO bundle has everything you need to make high-quality podcasts, produce your own music and home recordings! Included in this incredible recording bundle you'll find a **U-PHORIA UMC202HD** USB audio interface, **C-1** condenser microphone and **HPS5000** studio headphones. Just add your favorite DAW and you'll be up and running in mere moments – right out-of-the-box!

UMC202HD

This blazingly fast USB 2.0 studio in a box will have you recording your next masterpiece in minutes with all the connectivity for microphones, guitars, bass and keyboards. Record the perfect vocal right to your computer-based DAW thanks to the 2 astonishingly pure, world-class Midas-designed mic preamps, which include +48 Volt phantom power for condenser microphones, all going through studio-grade 24-Bit/192 kHz converters for the best possible sound quality. Whether you're a singer-songwriter, producer on the go, or just need a rock-solid interface for running backing tracks at a gig, the ultra-dependable **U-PHORIA UMC202HD** will help you shine in the digital domain.

Studio-Grade C-1 Mic

The C-1 microphone is a professional-quality condenser microphone designed to capture your sound with incredible realism, sensitivity and accuracy. With C-1's outstanding cardioid pickup pattern for excellent sound source separation and feedback rejection, this ultra-low noise mic is an excellent choice for any recording scenario. The C-1 just may be the only microphone your studio will ever need.

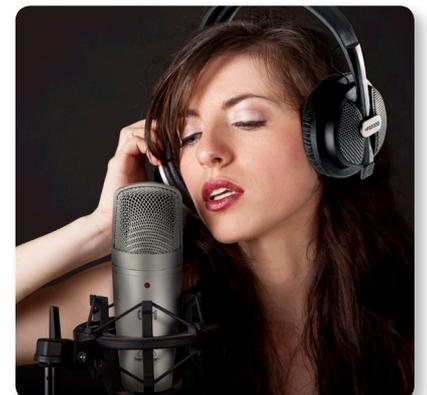

Professional HPS5000 Headphones

HPS5000 headphones provide everything you need for comfortable listening. The ear cups contain high-efficiency cobalt capsules that deliver high-definition bass and super-transparent treble. Featuring a single-sided cord that resists tangling, an ultra-comfortable headband and a 1/4" adapter for the 1/8" connector, HPS5000 phones are compatible with everything from your smartphone – to your mixing console.

Superb Performance, Super-Affordable

Get on the air immediately with the fantastic U-PHORIA STUDIO PRO recording package. This amazing bundle includes a U-PHORIA UMC202HD USB audio interface, a pair of high-quality HPS5000 headphones, a great-sounding C-1 studio-grade condenser microphone – and all the cables you'll ever need. See your local Behringer dealer, or get your U-PHORIA STUDIO PRO online today – and become part of the global broadcast revolution!
